1. OBJECTIVE

The Privacy Policy ("Policy") is intended to regulate the terms and conditions of Processing of Personal Data of customers and business partners by DMS AGENCIAMENTO DE CARGAS E LOGÍSTICA LTDA. ("DMS LOGISTICS"). For the execution of its activities, DMS LOGISTICS will proceed to the Processing of Personal Data, pursuant to Annex I.

Annex I also establishes the person in charge of the Processing of Personal Data of DMS LOGISTICS, including its purposes. Annex I forms an integral part of this Policy. This Política may be made available and disseminated by different means and supports.

The purpose of this policy is to enforce the principles and standards of current Brazilian legislation regarding the Security and Protection of Personal Data, in particular the General Data Protection Law (Law 13.709/18).

In this sense, this document intends to explain in a clear and accessible way how information and data are collected, used, shared and stored by our systems.

2. SCOPE

This Policy Applies to all customers and partners of DMS LOGISTICS. This Policy is an integral part of the relationship between DMS LOGISTICS and its stakeholders. In case of conflict between the provisions of the instrument that regulates the relationship between DMS LOGISTICS and its interested parties and in this Policy, the provisions of this Policy shall prevail. Anything that is not specially regulated in this Policy, the provisions of the applicable instrument will apply.

3. DMS RESPONSIBILITIES

Interested parties shall observe and ensure compliance with this Policy and, when necessary, call the Executive Board, HR and/or Quality for consultation on situations involving conflict with this Policy or through the occurrence of situations described therein. It's Essential that each person, in addition to knowing, disseminate the practices and guidelines set forth in the Policy.

4. TERMS AND DEFINITIONS

For the purposes of this Policy, the definitions below shall have the following meanings:

"INTERESTED PARTIES" – customers, business partners, employees or trainees of DMS LOGISTICS, current or past, including their family members, whenever applicable;

"PERSONAL DATA" – data or information identified or identifiable of Employees, and that may be subject to Treatment under the responsibility and direction of DMS LOGISTICS;

"PERSONAL DATA OF THIRD PARTIES" - data or information identified or identifiable from third parties, including, but not limited to, customers, among others, and that may be subject to Treatment under the responsibility and direction of DMS LOGISTICS;

"LGPD" – Law n. 13,709, of August 14, 2018, as amended by Lei n. 13,853, of July 8, 2019, as well as guidelines, regulations, and instructions issued by competent public entities or authorities on the matter;

"THIRD PARTY POLICIES" - any instrument, term, policy or proposal signed or accepted by DMS LOGISTICS with third parties, involving LGPD matters and the Processing of Personal Data of Third Parties;

"TREATMENT" – any operation carried out with Personal Data, such as those relating to the collection, production, reception, classification, use, access, reproduction, transmission, distribution, processing, archiving, storage, elimination, evaluation or control of information, modification, communication, transfer, dissemination or extraction.

5. COMPLIANCE WITH APPLICABLE LEGISLATION

Personal Data will be processed by DMS LOGISTICS, in strict accordance with this Policy, the LGPD, applicable legislation and Third Party Policies, whenever necessary. DMS LOGISTICS does not commercially exploit Personal Data in any way or nature. Personal Data will only be processed for the purposes for which it is intended. DMS LOGISTICS does not process personal data relating to philosophical or political beliefs, party affiliation, religious faith, private life, race or ethnicity, among others, unless strictly necessary for the execution of its activities or by legal requirement. DMS LOGISTICS will keep duly documented the Processing of Personal Data in a correct, detailed and updated way.

6. EXERCISE OF RIGHTS BY THE EMPLOYEE

DMS LOGISTICS hereby recognizes the necessity and relevance of the protection and processing of personal data under its control and responsibility. In this sense, Employees may, under the terms of the LGPD and other applicable legislation, access, review, correct, block, eliminate and request the updating of their Personal Data with DMS LOGISTICS at any time. DMS LOGISTICS will respond to the requests of Employees and will adopt the appropriate measures and measures, under the terms of this Policy, the LGPD and other applicable legislation.

In addition, the data subject will be informed about the possibility of not providing consent and about the consequences of this denial, as well as the revocation of consent for the processing of their personal data.

7. REPRESENTATIONS AND WARRANTIES

The Collaborators hereby expressly authorize the Processing of Personal Data for the purposes described in Annex I. DMS LOGISTICS will request the necessary, specific and convenient authorizations and consents of the Collaborators to ensure compliance with the Processing of Personal Data to the Policy, LGPD, applicable law, and whenever necessary, the Third Party Policy.

8. PROCESSING BY THIRD PARTIES

For the execution of its activities, the Personal Data of Employees may be subject to Treatment by third parties duly contracted and authorized by DMS LOGISTICS ("Subcontractors"), as operators. The Subcontractors will be subject to and subject to rules, obligations and duties of confidentiality, secrecy and protection of privacy, consistent with the provisions of this Policy, the LGPD and the provisions of the applicable legislation. In addition, Personal Data may be shared by court order or determination of authorities with jurisdiction and competence for this purpose, for the defense and protection of the rights and interests of DMS LOGISTICS, among other cases considered necessary or convenient, at the sole discretion of DMS LOGISTICS. Subcontractors may be reviewed and updated from time to time at the sole discretion of DMS LOGISTICS. The list of Subcontractors can be found in Annex I.

9. TREATMENT BY CLIENTS

The Employees hereby declare and acknowledge that, for the performance of certain activities and services with customers, customers may request the Processing of certain Personal Data of Employees, including accessing, collecting, storing and using for the purpose of participation in bidding processes, maintenance and compliance with the respective applicable contract with DMS LOGISTICS. In addition, failure to provide such Personal Data may constitute an impeditive reason for not participating in the bidding process, or even for the celebration, maintenance, extension or execution of its services and activities, which may result in contractual non-compliance by DMS LOGISTICS with the client, and subject to fines and and circumfertation. This Personal Data may be changed or supplemented from time to time, upon request of DMS LOGISTICS, to serve its customers and other legitimate interests. DMS LOGISTICS will keep Employees duly informed about the Processing of their Personal Data carried out by customers. DMS LOGISTICS will only authorize the Processing of Personal Data for the specific purpose of the Contract signed between DMS LOGISTICS and its customers. DMS LOGISTICS will keep the Colab speakers duly informed about the applicable customer policies, practices and processes regarding Personal Data.

10. INFORMATION SECURITY

DMS LOGISTICS has an adequate Information Security Policy, updated and consistent with the best information security practices, considering the currently existing state of the art, best practices in the sector, nature and purpose of the Treatment, and its impacts, under the terms of the LGPD and applicable legislation. The Employee will implement and maintain, at all times, the necessary security measures, which may be determined by DMS LOGISTICS, which may be reviewed and amended from time to time, or even determined by a third party designated by him, and for the strict purpose of adapting and ensuring the compliance of DMS LOGISTICS with the provisions of this Policy, in the LGPD and other applicable legislation, and whenever necessary, with the Third Party Policy.

11. RETENTION OF PERSONAL DATA

Without prejudice to the provisions of Annex I, DMS LOGISTICS may retain and maintain the Personal Data, for the time strictly necessary, and under the following conditions: (i) as long as the basis, nature and purpose of the Processing of Personal Data by DMS LOGISTICS remains valid and in effect; (ii) by judicial order or determination of authorities with jurisdiction and competence for that purpose; (iii) for the resolution of any dispute or dispute; and (iv) for compliance with a particular legal provision under applicable law. The same will apply in the case of Processing of Personal Data by customers.

12. DELETION OF PERSONAL DATA

Personal Data will be deleted under the following conditions: (i) whenever they are no longer necessary to fulfill the purposes of the Treatment, in accordance with this Policy, with the LGPD and other applicable legislation, and whenever necessary, with the Third Party Policy; (ii) when there is no longer a legal basis for retention; (iii) whenever requested by the holder, using his right to revoke the consent provided for in the LGPD, being informed the holder about the consequences of this request, as well as the effective deletion of the data; (iv) by determination of the ANPD (National Data Protection Authority).

For disposal purposes, all --.

(v) or when it is not permitted in accordance with this Policy, LGPD and other applicable legislation, and whenever necessary, with the Third Party Policy. The same will apply in the case of Processing of Personal Data by customers.

13. OBLIGATIONS AND RESPONSIBILITIES OF EMPLOYEES

In the exercise of its activities, the Employee may have access to and process the Processing of Personal Data of Collaborators and Third Parties. In this sense, the Contributor declares and agrees:

- a) proceed and act, at all times, in strict accordance with the provisions of this Policy, the LGPD and other applicable legislation, and whenever necessary, with the Third Party Policy;
- b) not to proceed with the Processing of Personal and Third Party Data for the purpose of various or contrary to the provisions of this Policy, the LGPD, and other applicable legislation, and whenever necessary, with the Third Party Policy;

- f) participate in training, courses, trainings, events, related to the Processing of Personal Data or LGPD, which may be determined by DMS LOGISTICS;
- g) collaborate with DMS LOGISTICS in fulfilling its obligations in relation to this Policy, LGPD and other applicable legislation, and whenever necessary, with the Third Party Policy, including, but not limited to, in the investigation, mitigation and remediation of any breach of Personal Data and third parties, before third parties and competent authorities;
- h) notify DMS LOGISTICS in the event that it identifies any event, indication or signal that may interfere or compromise its ability to ensure the compliance of DMS LOGISTICS and the Employee, with respect to the provisions of this Policy, LGPD, and other applicable legislation, and whenever necessary, the Third Party Policy; and
- i) notify DMS LOGISTICS immediately of any unauthorized, improper or unlawful processing, loss, destruction, incident, corruption, damage, alteration, disclosure or unauthorized, improper or unlawful access to any Personal and Third Party Data ("Breach"), including any suspicion or attempt.

14. CHANGES TO THE POLICY

This Policy may be amended from time to time at the sole discretion of DMS LOGISTICS, to ensure its compliance with the LGPD and other applicable legislation. DMS LOGISTICS will inform the Employee of any changes to this Policy and Third Party Policies.

15. QUESTIONS AND CLARIFICATIONS

If there is any doubt or need for clarification regarding the application of this Policy or Third Party Policies, as well as to submit a complaint about possible violation of data protection laws and compliance with requests related to their rights, Employees may contact the data processing officer of DMS LOGISTICS, in accordance with Annex I.

16. PENALTIES

Failure to comply with the Policy may give rise to the application of penalties in accordance with current legislation, according to the severity of the occurrence. The Court of the District of --, is elected as the competent to resolve any issues that may arise from this document, with express waiver of any other, however privileged.

17. SITUATIONS NOT CONTEMPLATED

This Policy presents general guidelines, and some specific situations may not be

contemplated.

What is expected in these cases is that each one acts with responsibility, prudence and ethical awareness, evaluating the best way forward with the certainty that the appropriate solution will always be governed by common sense and the values we cherish.

Any issues not specified in this document and related to ethics and conduct, shall be submitted for evaluation by the Board of Directors.

It is up to the Human Resources area to keep this document updated, in accordance with the one disclosed by the group internationally, bringing its content to the attention of everyone in the DMS LOGISTICS Group.

18. INTERNATIONAL DATA TRANSFER

DMS LOGISTICS has two commercial partners and service providers in Brazil and abroad and, in this sense, uses a technical infrastructure on a global scale with the objective of optimizing the efficiency, performance and security of services. Therefore, your personal data may be transferred to other countries for data processing and storage, in accordance with the terms and purposes defined in our Privacy Policy. By authorizing the processing of Personal Data from this Policy, the Contributor is consenting to the processing, transfer and storage of this information in other countries.

DMS LOGISTICS may process your personal data, including storage, in Brazil or abroad. In any case, DMS LOGISTICS will adopt the necessary technical and legal measures and safeguards to ensure compliance with this privacy policy and your rights related to the protection of personal data.

19. DURATION

This Policy takes effect on the date of its publication, revoking and replacing any previous communication on the subject and will remain in force for an indefinite period.
